The Tax Institute's membership year runs over the fiscal financial year and record must be maintained during this twelve month period for the minimum 30 CPD hours each year, of which 30 hours must be structured for Chartered Tax Adviser members, and 15 hours must be structured for Fellow and Associate members. Remember to maintain your receipts and various records of your activities for the further 12 months at the end of each membership year as they may be required for random auditing purposes. Further information regarding Structured CPD requirements can be obtained under the members area on the website [taxinstitute.com.au](http://taxinstitute.com.au). There is no need to record your unstructured CPD.
